About

BenchTech Mobile Island Benches are made from 1.2mm grade 304 stainless steel complete with a 2.0mm corrosion resistant zinc plated steel substrate and come supplied with four castors and 1.2mm grade 304 stainless steel solid shelf. A pipe shelf can be supplied in lieu if requested (please consult Britex). Built to true commercial specifications, the BenchTech modular system can be used for a full kitchen fit-out or integrated with custom - made Britex benches and shelves to achieve a more cost effective overall project solution. Providing absolute value for money, BenchTech is ideal for use in projects such as teaching kitchens, canteens, cafes and restaurants.
