Acid  
Resistant

### About

Stainless Express Stainless Steel Twin End Bowl Universal Lab Sinks are fabricated using 1.2mm grade 316 acid resistant stainless steel. Incorporating a uniquely Stainless Express innovation, the Universal Sink Range possess 70mm hobs on either side of the bowl which allow them to be used in both right and left hand applications. They are supplied with 60mm spaced corrugated drainer and optional WaterMark certified grade 316 stainless steel waste outlet (LSPW). The integrated bowls are L 400 x W320 x D250 and radiused internal bowl corners ensure cleaning is easy. Tap holes can be supplied to suit specified tapware. Ideal for school science rooms and laboratories.
